

Faça um conjunto de classes em Java que achar necessário para implementar um cadastro de contatos de acordo com a tela seguinte:

The image shows a Java Swing window titled "Cadastro de Contatos". The window has a standard title bar with a minimize button, a maximize button, and a close button. The main content area is light gray and contains a form with the following elements:

- A label "celular:" followed by two text input fields. The first field contains "19" and the second field contains "986542343".
- A label "Nome:" followed by a single text input field containing "Abilio da Silva Santos".
- Three buttons at the bottom: "Novo", "Gravar", and "Excluir". Each button has a blue gradient and a thin border.

Você deverá entregar todos os arquivos produzidos, inclusive o script usado no banco de dados.
